

Friends Center for Children

THANK YOU FOR SUPPORTING OUR EMOTIONAL WELLBEING PROGRAM!

THIS YEAR, WE SUPPORTED

**26 FAMILIES
EXPERIENCING
DIFFICULT LIFE EVENTS**

...AND PROVIDED

**53 FAMILIES WITH
EMOTIONAL
WELLBEING SUPPORT**

Because of you, the Mark Kravitz Fund has empowered our Emotional Wellbeing program, which offers individualized support and resources to all the children, families and staff in our community, support that has been especially critical during the many challenges of 2020.

"With the pandemic it has been hard on everybody and my family has had its fair shares of struggles and although it maybe hard for myself to see the light at the end of the tunnel at times, I keep my faith. I give thanks to Friends Center for Children for doing all that they do and more. They have an amazingly strong powerhouse of staff that has help mold my daughter into the direction I want her to go in life. When she first entered Friend Center she was a very shy little lady with not much confidence. She left with the utmost confidence and morals that will help her be kind, brave and strong in our world today."
