Your contributions allow us to make high-quality care accessible to all, regardless of income, through our sliding scale tuition commitment. Empowered by your gifts, our financial aid program helped 99 of the 116 children at FCfC during the 2019-2020 year, providing assistance that is critical for families to access the care their children need. Additionally, 14 children received \$24,000 in emergency financial aid. COVID introduced many new challenges for our community. Thanks to your gifts, FCfC was able to respond to many unexpected and immediate needs, including providing weekly food deliveries and \$15,680 in rental assistance for staff and families.

**"The Friends Center has dealt with the COVID crisis economic and emotional impact on our family with kindness, tact, and generosity. I know that every decision they make is in the best interest of the families they serve. I am immensely grateful to the Center for all of this."**
